

California Straw Arts Guild Membership/Renewal Form (2022)

The California Straw Arts Guild (CSAG) is an association of people seeking to preserve and promote the cultural history and practices of all straw arts. Towards this end, CSAG publishes a newsletter four times a year, which contains news, pictures and instructions for straw projects. CSAG also holds an annual teaching convention with classes to help members learn new skills and designs in straw art. Visit us online at: www.californiastrawartsguild.org.
